THE HARD-HITTING NEWS ON FIREARM ISSUES

America's 1st Freedom is dedicated to preserving our fundamental right to self-defense. While providing news on the latest anti-gun schemes that affect our gun rights, it also serves as an avenue for top NRA leaders to present the truth about legislative battles on Capitol Hill and throughout the 50 states. America's 1st Freedom debunks the myths that the mainstream media present daily, and it educates readers who want to help get the word out about firearm rights.

The .22 LR: History & Performance

The notion of a self-contained cartridge in a firearm is more than two centuries old. A Swiss gun maker, Jean Samuel Pauly, developed the first self-contained cartridge for a shotgun. It consisted of a metal base that had a slot similar to what you would see in a modern screw. In its center was a flash hole. The slot was filled with a priming compound made of sulfur, charcoal and potassium chlorate. [Read More.](#)
